Wolseley Canada appoints Nick Pellegrino as GTA Hydronics Manager

BURLINGTON, ON – Nick Pellegrino was recently appointed Wolseley Canada's Regional Hydronics Manager for the Greater Toronto Area. His more than 30 years of industry experience includes teaching HRAC Piping Lab and Basic Hydronics for Mohawk College and the Canadian Hydronics Council. Nick is a member of the Canadian Hydronics Council and Chairman of the Codes and Standards Committee.

Nick will be responsible for managing Wolseley's hydronics business in the GTA and will work out of the Etobicoke, Ontario branch at 210 Rexdale Boulevard.
