Wolseley Waterworks Groups wins Supplier of the Year Award

BURLINGTON, ON – Wolseley’s Waterworks Group is proud to receive the **2010 Supplier of the Year Award** from the Manitoba Water and Wastewater Association.

The winner of the award is selected by members of the MWWA each year and is judged on quality of product, price and customer service. Wolseley Waterworks last won the award in 2006.

“Everyone works hard to consistently deliver excellent service to our Waterworks customers,” said Tim McRae, Waterworks VP for Wolseley Canada’s Western Region. “The secret is excellent teamwork between the sales staff out in the field, the office staff, all the way through to our warehouse team. Everybody played a part in winning this award!”

The Manitoba Water and Wastewater Association is dedicated to the stewardship of the environment and public health. For more information on the MWWA, visit their [website](#).
